8-Week SAT Prep Course - ~~\$599~~ **499**

For the past six years, NCI Scholastic has been successfully preparing students for the SAT exam. **We have seen 200, 300 and even 400-point SAT score improvements, well above the national average.** Many of our prep graduates are being accepted into the nation's top colleges, including Brown, Cornell, MIT, Princeton, and Yale.

Successfully preparing for the SAT is about consistent practice and the use of effective strategies. Because of our teaching methods, students' learning curves are accelerated. We offer 24 hours of practice time, including a full-length simulation of the actual SAT test. Students will learn key test-taking strategies and review subject area content. Class meets once per week for 3 hours.

Our tutors are among the best and brightest in the industry. They are 99th percentile scorers on the SAT exam.
