Come experience a hands-on world of fun as you conduct a variety of scientific experiments! You will make and take home a wide assortment of doodads and formations that you created all on your own. Learn and discover many different scientific concepts in an entertaining and innovative approach. Generate your own growing cube and make a shiny clean penny! Make your very own UV bracelet and watch it react to the sun. Learn all about energy and molecules, create a crazy bouncy glob from glue, and some scary green slime! You will also get to witness some really cool scientific demonstrations from your instructor. Watch snow being created and feel how cold it is! Experience a really powerful magnet, a cool blue light, a soda explode, and many other exciting experiments in this fascinating and educational workshop!
